OUR NEW REAL SUGAR
SODA LINE-UP &
ENERGY DRINK

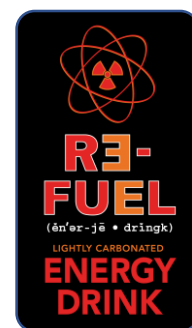

CRAFT SODA

Lenox-Martell micro-brews Real City Soda® & Juices right here at our facilities in Jamaica Plain so it's delivered fresh to your doorstep at an affordable price. We currently service over 1,300 accounts all over Eastern Massachusetts & Cape Cod to Southern New Hampshire.

REAL SUGAR SODAS

Dynamic sodas using only all natural cane sugar which deliver unique flavor profiles which satisfy your customer's desires for old-fashioned Fountainhead type sodas. Our Re-Fuel Energy Drink compares favorably to all national brands.

DRAFT BEER SYSTEMS

Lenox-Martell has been installing and servicing Draft Beer Systems for well over 40 years. Numerous styles to chose from to match your establishment's décor.

BEER LINE CLEANING

We use state-of-the-art computerized systems to ensure your beer lines are always clean. Our electronic line cleaning technology gives you a cleaner, fresher, more wholesome beer

WINE SYSTEMS

Give your customers the highest quality glass of wine possible by having wine on tap. Its the best way to not only benefit your business, but to allow you to serve a more enjoyable wine. Wine on tap eliminates oxidization of wine served by the glass, which translates into less waste from quality inconsistencies.
